### TO AVOID ANY DISTRACTIONS

Please be sure all cell phones are turned off before service. We ask that there be no moving around during the service. If, for any reason, you must leave the sanctuary during service, you may not be permitted to return to your original seat; an usher will find one for you. Also, parents with young children are asked to sit in the back of the sanctuary. There is a mother's room available for nursing mothers only. Thank you for your cooperation.
